People Vantage HR:

A comprehensive audit of your HR practices for \$1000

Lose weight, exercise more, be more patient – all great New Year's personal resolutions, but not our areas of expertise. We do however, know HR. Let us help you achieve a professional resolution by assuring your HR practices and policies are compliant, strategically focused and can propel organization towards success in 2020.

The audit will include a complete review of your HR policies, practices and procedures to assure you are legally compliant and that your HR activities are positioned to help you succeed in the year to come. Our audit will include a summary report outlining insufficient areas and recommendations for improvements.

Call or e-mail Dan Gauthier to schedule yours.
